Notes: - Everest

2000 Bad weather - no summit

2004 Some clients left the expedition early, therefore % looks low when in fact out of final summit attempt a higher 5 of clients did reach the summit.

Cho Oyo

1999 Bad weather - no summit

Shishapangma

2003 No summit due to too much snow/ avalanche danger

2006 Bad weather/avalanche danger - no summit
